

CRANALEITH SPIRITUAL CENTER

Sanctuary of Trees, Sanctuary of Mercy

Reflect, renew, restore. Cranaleith is a sacred place that calls those seeking wholeness and transformation for themselves and society. Come be embraced by the beauty of nature that surrounds you and the generous hospitality and loving spirit that awaits you.

One of the most significant gifts we have as human beings is our yearning for meaning, purpose and fullness of life. But this desire – our very spirit – can be beaten down by the everyday demands of work, family and personal pressures. Cranaleith is a place to stop, listen deeply and reflect on what matters. Our many program-offerings, hospitality and natural surroundings foster wholeness and transformation for those who come here.

Located in the Somerton section of Philadelphia, our 10-acre “Sanctuary of Trees” has welcomed nearly 55,000 guests since 1998. Cranaleith is committed to excellence and tending to each person as a unique gift of creation.
